**Nick Frankland, CEO of European Operations, Guy Carpenter & Company**

"We are delighted that Franck Pinette has joined Guy Carpenter. Franck has established an exceptional track record during his 22 years in the life reinsurance industry, and he is one of the most experienced and well respected professionals in the European market. We believe the timing is right for a reinsurance broker to offer a valuable alternative to the existing and limited provider channels in this market sector, especially given the immediate opportunities arising from the Solvency II regime. I look forward to working with him as we build a successful life reinsurance business in Europe."

**Henry Keeling, President and Chief Executive Officer of International Operations, Guy Carpenter & Company**

"The hiring of Franck represents another example of Guy Carpenter's commitment to provide solutions to all of our clients' needs in both the European Property & Casualty, and now Life, markets."
