## REINSURANCE BROKING

Guy Carpenter delivers deep technical insights and vast transactional capabilities to address complex and unique risk management challenges. We help clients anticipate and navigate change, providing them with a business edge that goes beyond best pricing in the reinsurance market:

- ▶ Reinsurance brokerage services provided for approximately 90 years and we continue to serve some of our original clients
- ▶ Line-of-business experts deliver deep market knowledge and efficient transactions in every relevant geography
- ▶ We have unmatched market intelligence as well as capacity and pricing advantage
- ▶ Continuous benchmarking across markets informs the most effective structures and timing for each client's coverage requirements

## STRATEGIC ADVISORY

Guy Carpenter's daily engagement in all significant markets enables us to be a valuable and trusted partner to our clients. Based on our insights, our Strategic Advisory team anticipates and solves for a range of emerging business challenges and opportunities. We provide integrated solutions across four key areas of expertise, including:

- ▶ Growth
- ▶ Capital
- ▶ Risk
- ▶ Insight

By drawing on expertise from across Guy Carpenter, the Marsh & McLennan Companies, and best-in-class solution providers, we turn market innovations into opportunities for our clients.

## DATA & ANALYTICS

GC Analytics<sup>®\*\*\*</sup> unit helps clients translate ever increasing amounts of data into actionable business intelligence to minimize risk and gain competitive advantage, through:

- ▶ Quantitative analysis
- ▶ Advanced catastrophe modeling and investigation
- ▶ Development of actuarial and financial tools
- ▶ Analytics advisory

Analytics sits at the center of Guy Carpenter's services to clients, informing both immediate and far-reaching decisions in risk management, capital and business strategy. Guy Carpenter's global Analytics team accumulates the knowledge and perspective of more than 250 professionals across all regions, product lines, and technical disciplines. Our clients can tap into this vast intellectual asset for solutions to challenging issues.
