

Hi, I'm Danny

I joined Guy Carpenter in 1993 and am a Managing Director and Head of Taiwan operations. I also oversee Hong Kong retrocessional accounts and serve on the regional management team for the Asia Pacific region. In 2015, I was named one of Intelligent Insurer's 100 Influential Women in the reinsurance industry.

Who is a woman that inspires you

Definitely my mom. She was a strong and capable woman who always put others interests in front of her own. She spent her entire life fighting for her family.

When I'm not at work I'm most happy...

Playing golf!

What advice do you have for those starting their career?

Make sure you develop a strong passion for your work and for your clients.
