

## Risk Analyst Intern

### Guy Carpenter & Company, LLC

Guy Carpenter provides highly-specialized risk financing solutions for clients across the globe. Through more than 2,600 professionals in offices located around the world, we design innovative programs that create capital value for our clients and help them manage risk exposures so they can achieve their long-term financial goals.

### Summer Internship Program

Guy Carpenter hires interns between their junior and senior years in college to take part in a structured program that provides technical and professional skills training, formal coaching, Learning Days with senior management and meaningful work assignments and projects. Through the program, we identify individuals who have the potential to be a part of the firm following graduation. An internship with Guy Carpenter is a great way to enhance your college learning and gain valuable work experience in a dynamic industry.

### Position Summary

Risk Analyst Interns focus primarily on account management while working as a member of a client account team in the broking operation. Each Risk Analyst Intern assists team members by analyzing and evaluating client data and needs, as well as assisting with projects that support clients' reinsurance programs. All Risk Analyst Interns deliver a final, end of summer presentation to peers, coaches and other colleagues.

### Types of day-to-day duties and responsibilities may include:

- Assisting account teams in managing new, renewal and prospective business, including research assistance
- Conducting financial analyses
- Gaining a working knowledge of accounting, claims and contract-related issues
- Meeting clients, reinsurance underwriters and other industry professionals

### What We Look For

We seek creative and well-rounded self-starters who have both the qualitative and quantitative aptitude to excel in a challenging and highly competitive environment. Students of all disciplines are strongly encouraged to apply.

### Required Qualifications

- Must hold unrestricted right to work for an employer in the U.S. for an indefinite period of time
- Progress towards an undergraduate degree, with a minimum GPA of 3.0 out of 4.0
- Superior analytical, research and problem-solving skills
- Keen attention to detail
- Strong oral and written communications skills
- High level of proficiency with basic computer application skills
- Ability to multi-task and work effectively in a fast-paced team environment

### Locations

Positions are available in offices across the United States, including: New York, San Francisco, Philadelphia, Minneapolis, Seattle, Atlanta, Chicago, Glendale (CA), Morristown (NJ) and Norwalk (CT).

### To Apply

Visit the **Careers** section on [www.guycarp.com](http://www.guycarp.com) to apply for a Risk Analyst Intern position.
