

GC EDGE

GC Edge is Guy Carpenter's industry-leading client portal that serves as a single access point for information, tools and services. Our proprietary online dashboard centralizes access to our four modules.

GC Edge Has Four Modules

Placements

- Document repository keeps critical placement files organized and secure
- Meeting management facilitates live placement timelines, event reminders and ability to add meetings to calendars
- One-click approval process
- Real-time notifications keep everyone up-to-date on activity like data uploads or outstanding tasks

Market Information

- Access reinsurer ratings, financials and organizational information
- Create portfolios of markets to track – Receive alerts on changes to your portfolio of markets
- Access news and quantitative reports on the reinsurance market

Thought Leadership

- A central source for all Guy Carpenter insights, including publicly available reports and client exclusives
- Automated distribution of exclusive client materials to active GC Edge users
- Real-time alerts as insights are published

Tools & Solutions

- Streamlined client experience to access GC tools (i.e., GC Mosaic®, GC VistaSM and Wildfire diagnostic tool)
- New features, downtime or new documentation communicated to users

GC Edge Key Features

24/7 access to Guy Carpenter information and insights

Mobile design enables users to access the portal from any device. Keep up with GC placement and advisory services while traveling

Organized exchange of data automatically creates clear, searchable records. No more filing.

Prioritizing data security with multi-factor authentication and encryption without the need for a separate FTP site

Real-time notifications keeps everyone up-to-date with data uploads, meetings and task reminders automatically – eliminating extra work or delays in team communications
