

# GC EDGE®

GC Edge is Guy Carpenter's industry-leading client portal that serves as a single access point for information, tools and services. Our proprietary online dashboard centralizes access to our four modules.

## GC Edge Has Four Modules

### Workbench

- Manage placement and project-related tasks and approvals in one central location
- Secure document repository keeps critical files organized with no size restriction
- In-system approvals streamlines the placement process
- Meeting management facilitates live placement timelines with the ability to export to Outlook

### Market Information

- Access reinsurer ratings, financials and organizational information
- Create portfolios of markets to track – Receive alerts on changes to your portfolio of markets
- Access news and quantitative reports on the reinsurance market

### Thought Leadership

- A central source for all Guy Carpenter insights, including publicly available reports and client exclusives
- Automated distribution of exclusive client materials to active GC Edge users
- Real-time alerts as insights are published

### Tools & Solutions

- Streamlined client experience to access GC tools (i.e., GC Mosaic®, GC Vista<sup>SM</sup> and Wildfire diagnostic tool)
- New features, downtime or new documentation communicated to users

## GC Edge Key Features

**24/7 access to Guy Carpenter information and insights**

**Mobile design enables users to access the portal from any device. Keep up with GC placement and advisory services while traveling**

**Organized exchange of data automatically creates clear, searchable records. No more filing.**

**Prioritizing data security with multi-factor authentication and encryption without the need for a separate FTP site**

**Real-time notifications keeps everyone up-to-date with data uploads, meetings and task reminders automatically – eliminating extra work or delays in team communications**

## Contact

If you are interested in learning more about GC Edge or would like to organize a live demonstration of the product, please contact us.
