Guy Carpenter appoints Matthew Eagle as Head of International Analytics

London, February 18, 2015 – Guy Carpenter & Company, LLC, a leading global risk and reinsurance specialist and a wholly owned subsidiary of Marsh & McLennan Companies (NYSE: MMC), today announced the appointment of Matthew Eagle as Managing Director and Head of International Analytics for Guy Carpenter.

Mr. Eagle will be joining Guy Carpenter's London office on August 1, following the end of his notice period. In his role as Head of International Analytics he will be responsible for providing thought and resource leadership across the EMEA and AsiaPac regions, with a specific focus on developing a market-leading catastrophe modelling and analytics proposition. He will report to Nick Frankland, CEO of EMEA Operations at Guy Carpenter.

Mr. Eagle has over 20 years of experience in the Reinsurance sector. He joined Willis Re in 2010, where he was most recently Head of Catastrophe Analytics and a Regional Director of Willis Re International. Prior to this, he spent 14 years working at Aon Re (now Aon Benfield) becoming coordinator for the analytics delivery across their EMEA operations. After completing his MSc at the University of Minnesota, he worked in statistical software and consulting, including a period in the Department of Statistics at the University of Oxford.

Commenting on the appointment, Mr. Frankland said: "Matthew brings a wealth of experience in catastrophe risk assessment across the numerous geographies that make up our International Region. As such, he is the perfect fit for taking our Analytics offering onto a new and higher level, working in tandem with our Strategic Advisory team, to provide our clients with enhanced insight into all aspects of their capital and risk management requirements. He will add invaluable skills to our regional leadership."
